ABOUT DHANAMANJURI UNIVERSITY

Dhanamanjuri University (D.M. University) was established on 6th April, 2018 under “The Dhanamanjuri University Act, 2017” through a notification in the Manipur Gazette, published by the Department of Higher and Technical Education, Government of Manipur.

Dhanamanjuri University is a long-cherished dream of its founding fathers. It came into existence as Dhanamanjuri College, popularly known as D.M. College in the year, 1946 under the patronage of the late Maharani Dhanamanjuri Devi, the Maharani & Consort of His Highness Maharaja Sir Churachand Singh, KCSI CBE, of Manipur.

Manipur, an ancient kingdom, had a composite traditional system of education in the field of warfare, martial arts, games & sports, culture, and many other schools of thought.

People were trained in various professional activities in ancient forms. This legacy of quest for knowledge has been in existence since antiquity and will live for generations. Ancient works on knowledge in archaic Manipuri scripts stand as testimony to nurturing the idea of a university in the minds of our forefathers and foremothers. The state has celebrated the tradition of a purely intellectual pursuit which conserves the original ethos of the land and its people while being receptive to progressive changes in the course of time.

The University, under the National Scheme of Rashtriya Uchchatar Shiksha Abhiyan (RUSA), is built up of five constituent colleges, namely, Dhanamanjuri College of Science (D.M. College of Science), Dhanamanjuri College of Arts (D.M. College of Arts), Dhanamanjuri College of Commerce (D.M. College of Commerce), Ghanapriya Women’s College (G.P. Women’s College) and Lairenmayum Sheibyashachi Law College (L.M.S. Law College), all of which occupy common, adjoining, or neighbouring physical spaces.

Dhanamanjuri University is situated at the heart of Imphal city and the campus is bounded by National Highway No. 2 in the East, Thangmeiband Road in the West & North, and the Naga River in the South. Ghanapriya Women’s College is located at the South West of Kangla, the ancient capital of Manipur, near the Raj Bhavan, and L.M.S. Law College is located facing eastern boundary of the main campus right across the National Highway No. 2.

VISION

To make the Institution which can provide need-based, skill-integrated, cost-effective, holistic & innovative educational mechanism for transforming youths into responsible citizens and for making tangible contributions in the sphere of progressive higher education in the state as well as the country.

MISSION

- To impart innovative and creative knowledge to the students and foster growth of independent and progressive ideas that can ultimately lead to the nation's progress.
- To provide holistic education through perfect and advanced syllabi and curricula.
- To acquire pedagogic innovation and imbibe on par competence among the students for enabling employability and self-employment.
- To undertake research activities that enhance contributions towards upgradation of knowledge and skills for the development of the nation.
